

## Media Regulations of 5th World University Baseball Championship supported by Panasonic

◆ The following are regulations for media of "5th World University Baseball Championship supported by Panasonic". They are to be observed by all parties. Those who disobey the guidelines below will be removed immediately from the ballpark and asked to return their Media Credentials.

- 1 Credentials will be issued only to the media with the purpose of sports news coverage.
- 2 The organizer may ask for confirmation and adjustments regarding the number of Credential applicants. Application approval will be informed by delivering the Credentials or via e-mail etc. Any cancellation made after application should be informed to the Secretariat in advance.
- 3 The organizer will send Credentials if approved. Credentials of those who are members of Magazine Publishers Association and The Foreign Press in Japan will be provided separately through each association.
- 4 Please bring employee ID or any document with you which can identify applicants with applied information during the Championship.
- 5 Please note that there may be cases of seat shortage due to the limited space in the press box.
- 6 Parking space will not be provided.
- 7 **The Credential may neither be transferred nor lent to a third party under any circumstances.**
- 8 It is strictly prohibited to ask the players for an autograph or photograph in the ballpark as well as at the press conference.
- 9 Interviewing at the hotel of the teams is strictly prohibited. Releasing of the hotel name and address is also prohibited.
- 10 Any type of filming/photographing is strictly forbidden to those without camera permission. Cameras belonging to personnel without permission may be confiscated by the Secretariat regardless of its use.
- 11 Photographers are not to roam in the stands, unless specifically authorized by the organizer.
- 12 Media are allowed pre-game access to fields. Those media are to follow the guidelines given by the organizer on the field. Access to the field is limited till the end of batting practice before the game.
- 13 Winning team interview will be held on the field by TV rights holders only.  
After each game, a press conference or interview will take place at the press conference room/area (in the order of loser to winner). At the press conference, the organizer may ask to adjust the number of media due to limited space of the room/area.
- 14 Media are requested to follow the daily directions as well as the guidelines given by the organizer. Those who disobey will be removed immediately from the ballpark and asked to return their Media Credentials.

◆ The following guideline applies to TV and/or Radio credential applicants.

Live TV and/or Radio interview with uniformed personnel during the game is not authorized or permitted, nor is attaching a microphone to any uniformed personnel permitted without prior approval of the organizer. Also, microphones may not be placed in or adjacent to dugouts and/or bullpens without the prior approval of the organizer.
